Messages

Message from President

Dr. Mohan M. Phalak
President,
Tapti Education Society,
Bhusawal

The Tapti Education Society's Bhusawal Arts, Science and P O Nahata Commerce College, Bhusawal in Bhusawal offer a comprehensive educational experience through its diverse range of postgraduate and undergraduate programs. This institution recognizes the significant impact that choosing the right place of study can have on a student's future career trajectory. To aid prospective students in making this crucial decision, the college provides detailed information about its academic offerings and campus life in its prospectus.

While the primary focus of the institution remains on delivering high-quality teaching and fostering effective learning, it also acknowledges the importance of a well-rounded educational experience. The college is committed to creating an environment that goes beyond academic pursuits, offering students opportunities for social interaction, cultural enrichment, and recreational activities. This holistic approach to education aims to develop not only the intellectual capabilities of students but also their personal growth, social skills, and overall well-being, preparing them for success in their chosen fields and in life beyond graduation.

Message from Principal

Dr. B.H. Barhate
Act. Principal,
BASPONC College,
Bhusawal

The Tapti Education Society's Bhusawal Arts, Science and P O Nahata Commerce College (BASPONC) in Bhusawal has established itself as a premier institution in the North Maharashtra University region since its founding in 1963.

BASPONC's curriculum seamlessly integrates academic knowledge with practical applications, enabling students from diverse disciplines to develop skills relevant to their chosen career paths.

BASPONC's reputation for excellence is built on several key factors. The institution boasts state-of-the-art infrastructure and modern equipment, providing students with a conductive learning environment. A strong, committed faculty forms the backbone of the college, ensuring high-quality education. The college takes pride in its distinguished alumni, who hold prominent positions both in India and abroad, serving as a source of inspiration for current students. The serene surroundings of Bhusawal, combined with the college's stimulating atmosphere, create an ideal setting for pursuing knowledge, education, and research. BASPONC's commitment to nurturing future leaders and IT experts who can thrive in a rapidly changing world has solidified its position as an unsurpassed institution in the region.

INSTITUTE'S PROFILE

The Tapti Education Society's Bhusawal Arts, Science and P O Nahata Commerce College (BASPONC) in Bhusawal have been a cornerstone of quality education since its establishment in 1963. With a focus on providing accessible education at the grassroots level, the institution began by offering a postgraduate program in Master of Computer Applications (MCA). Over time, it expanded its offerings to include undergraduate courses such as Bachelor in Computer Application (BCA) and Bachelor in Business Administration (BBA), demonstrating its commitment to diverse educational opportunities.

BASPONC's dedication to excellence is evident in its multifaceted approach to education. The institution boasts a blend of experienced senior faculty and dynamic young educators, all committed to the noble pursuit of knowledge dissemination. This combination has proven successful, with many students achieving top ranks in university examinations and securing positions in prestigious industries both in India and abroad. The college's emphasis on converting education into practical knowledge is supported by high-end infrastructure and a conductive learning environment.

Furthermore, BASPONC's commitment to quality has been recognized through its reaccreditation by NAAC in the fourth cycle with an A Grade (CGPA 3.17) and an A Grade award from KBC North Maharashtra University, Jalgaon in Academic & Administrative Audit, solidifying its position as a leading educational institution in the region.

About Department of Computer Application

Department Of Computer Applications is one of the thrust areas in Science and technology. The Department of Computer Application is a sub department of department of Computer Science and Information Technology. The Department of Computer Applications was started in the year 2024. The department offers Bachelor's degree (BCA) and Master's degree (MCA) in Computer Applications.

At the heart of a digitally driven world, our department equips students with the skills, confidence, and mindset to thrive in the ever-evolving field of technology. Department of Computer Applications build globally competent and socially committed professionals and to mould ethical software professionals with intensive knowledge in computer science and applications. To provide globally recognized academic environment through industry – academia collaborations, digital learning and state of the art skill development.

The department aims to prepare every student professionally fit for the rapidly growing industry of Information and Technology in the beginning of every academic session.

A team of passionate faculty, modern labs, a curriculum aligned with current industry needs, and strong ties with the IT sector that open doors to internships, live projects, and placements. Workshops, hackathons, industry talks, and seminars are all part of student life here—because we believe in learning that goes beyond textbooks.

At Bhusawal Arts, Science and P O Nahata Commerce College, Bhusawal —renowned for its excellence in Computer Applications — you don't just earn a degree, you build a future. Join a department that's committed to academic excellence, continuous innovation, and shaping future-ready tech leaders.

Let's code the future together.

Department Vision:

- To contribute effectively to important national initiatives and to be at the forefront of informatics and applications.
- To develop students into world-class IT professionals, technocrats, innovators and scientists with expertise in software development, research aptitude and ethical values. To meet the requirements for sustainable development of the IT industry.

Department Mission :

The department of Computer Applications is committed to

- To bridge the gap between industry and academic by framing the curriculum and syllabi based on the industrial and societal needs.
- Impart high quality experiential learning to get expertise in modern software tools and to cater to the real time requirements of the industry.
- Inculcate problem solving and team building skills and promote lifelong learning with a sense of societal and ethical responsibilities.

Institute Discipline

1. Students must carry their Identity Card on person when in the college premises and produce it on demand.

About AICTE Courses

➢ AICTE under Professional Courses Admission Rules and Procedure

UG Programs

UG Programs Offers

1) BCA – Bachelor of Computer Application

Duration – 3 Years Honors or 4 Years Research Full Time **Intake – 120**

Eligibility – Any Candidates who has passed HSC (Science and Commerce Faculty) examination with eligibility as per the Affiliating University Admission Policy.

OR A pass in diploma in Commercial Practice or equivalent and

Entrance – Candidates must qualify MAH-B.BCA/BBA/BMS/BBM - CET-2026 Entrance Examination

2) BBA – Bachelor of Business Administration

Duration – 3 Years Honors or 4 Years Research Full Time **Intake** – **100**

Eligibility – Any Candidates who has passed HSC examination with eligibility as per the Affiliating University Admission Policy and

Entrance – Candidates must qualify MAH-B.BCA/BBA/BMS/BBM - CET-2026 Entrance Examination

PG Programs

3) MCA – Master of Computer Application

Duration – 2 Year Full Time **Intake** – 60

Eligibility – Any Graduate and

Entrance – Candidates must qualify MAH-MCA - CET-2026 Entrance Examination

1. Admission Procedure :-

Mention the admission test being : Admission to First Year BCA/BBA/MCA is conducted by followed, name & address of the Test State CET Cell, Maharashtra State, Mumbai Agency / State Admission Authorities and Test Name - MAH BBA/BCA CET & MH MCA CET its URL (website)URL – https://cetcell.mahacet.org/	
Calendar for admission against Management / vacant seats:	
Last date of request for applications	: Before Completion of Govt. CAP Rounds
Last date of submission of applications	: Before Completion of Govt. CAP Rounds
Dates for announcing final results	: Before Completion of Govt. CAP Rounds
Release of admission list (main list and	: Waiting list shall be announced on theBefore Completion of Govt. CAP Rounds same day)
Date for acceptance by the candidate	: Before Completion of Govt. CAP Rounds (time given shall in no case be less than 15 days)
Last date for closing of admission	: Before Completion of Govt. CAP Rounds
Starting of the Academic session	: After Completion of Govt. CAP Rounds
The waiting list shall be activated only on	**: The expiry of date of main list**
The policy of refund of the Fee, in case of withdrawal, shall be clearly notified	: As per Rules & Regulations of State CET Cell, Maharashtra State, Mumbai :

2) Criteria and Weightages for Admission-:-

Describe each criterion with its respective weightages i.e. Admission Test, marks in qualifying examination etc.	:	As per Rules & Regulations of State CET Cell, Maharashtra State, Mumbai
Mention the cut-off Levels of percentage and percentile score of the candidates in the admission test for the last three years	:	Available on State CET Cell, Maharashtra State, Mumbai online portal
Display marks scored in Test etc. and inaggregate for all candidates who were admitted	:	Available on State CET Cell, Maharashtra State, Mumbai online portal (https://cetcell.mahacet.org/)

3) List of Applications

List of candidate whose applications have been received along with percentile/percentages core for each of the qualifying examination in separate categories for open seats. List of candidate who have applied along with percentage and percentile score for Management quota seats (merit wise)	:	Available on State CET Cell, Maharashtra State, Mumbai online portal (https://cetcell.mahacet.org/)

4) Results of Admission Under Management seats/Vacant seats

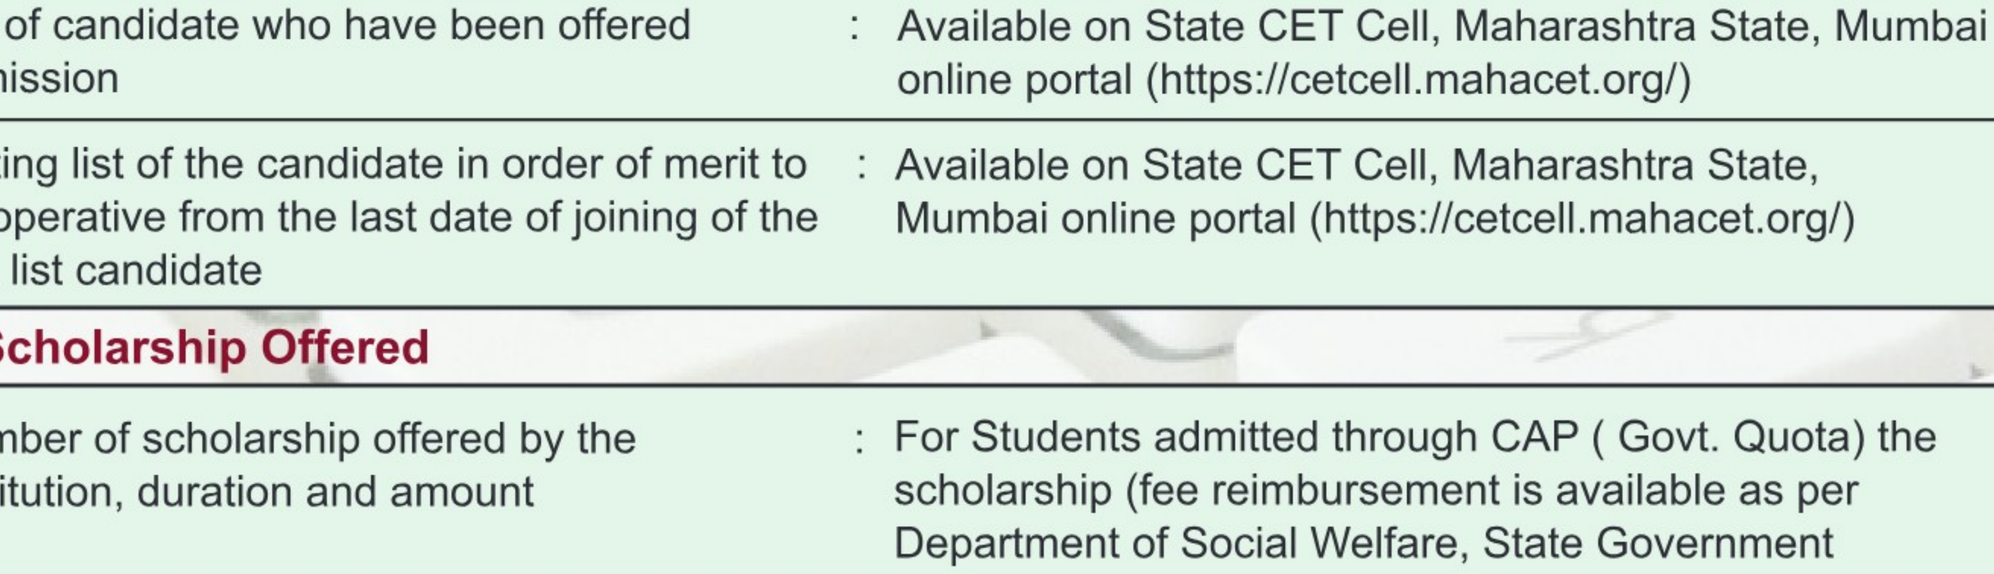

Composition of selection team for admission under Management Quota with the brief profile of members (This information be made available in the public domain after the admission process is over)	:	As per Institute policy (On Merit basis and MAH MCA CET Score)
List of candidate who have been offered admission	:	Available on State CET Cell, Maharashtra State, Mumbai online portal (https://cetcell.mahacet.org/)
Waiting list of the candidate in order of merit to be operative from the last date of joining of the first list candidate	:	Available on State CET Cell, Maharashtra State, Mumbai online portal (https://cetcell.mahacet.org/)

5) Scholarship Offered

Number of scholarship offered by the Institution, duration and amount	:	For Students admitted through CAP (Govt. Quota) the scholarship (fee reimbursement is available as per Department of Social Welfare, State Government
Criteria for Fee waivers/scholarship	:	As per State Government following scheme – Higher & Technical Education Department Social Justice & Special Assistance Department VJNY, OBC & SBC Department Tribal Development Department

Admission Procedure

Confirm your Admission online and Get Allotment letter From Computer Application Dept.Then Follow the Following Chart for Admission.

Training & Placement Overview

The Training & Placement Cell at the Institute plays a crucial role in preparing students for their future careers. Operating at two levels - Training Activities and Placement Activities - the cell begins its work from the first semester, providing students with a comprehensive roadmap for their professional development. The cell comprises faculty members from each department and a dedicated full-time Training & Placement Officer, ensuring a well-rounded approach to student development. To adapt to changing circumstances and maximize accessibility, the Institute offers both online and offline modes for various Training & Placement activities.

The Institute's commitment to student success is evident through its partnerships with various organizations, formalized through Memoranda of Understanding (MoUs). These collaborations facilitate a wide range of training activities designed to enhance students' overall employability. Regular programs focus on personality development, soft skills improvement, logical reasoning, aptitude building, and technical knowledge enhancement. Additionally, the Institute organizes industrial visits, guest lectures, seminars, workshops, field work, projects, internships, and entrepreneurship development sessions. This comprehensive approach to student development has yielded impressive results, with an increase in placements, higher salary packages, and opportunities with renowned companies. The career guidance provided by the cell further assists students in making informed decisions about their professional paths, contributing to their long-term success in the job market.

TRAINING & PLACEMENT

EMPOWERING CAREERS, BUILDING FUTURES

Heartfelt Words from Our Scholars

Miss.Vidya Jangale

BASPONC has always inspired me and offered me wholehearted support. Its unique 'Trimester System,' holistic approach to education, peace programs, experienced and empathetic faculty, state-of-the-art technology and laboratories, as well as its updated curriculum—all these factors make this college an ideal educational institution for any student. The 'Mentor-Mentee' concept here is extremely beneficial and remains my first choice whenever I require any guidance or assistance. I am constantly encouraged here to embrace challenges and to overcome them. By providing the right vision and excellent education, BASPONC has truly played an invaluable role in shaping me into a competent professional.

Mr.Shubham Barse

At BASPONC, it has been a wonderful experience. I had the incredible good fortune and luck to be a member of the BASPONC, which fostered my personal development. Lots of admiration, dedication, and affection for the whole faculty and department. The whole faculty and department work tirelessly to mold one's destiny. It has been a tremendous three years of study and exposure to the outside world at BASPONC. I consider myself to be a much better professional and person because of their efforts and hardwork. Forever grateful.

Miss.Varsha Zope

Its been a wonderful journey in BASPONC I still cherish the moments I have spent during my college days. They were the "Happy days" of my life.I feel blessed for having such wonderful friends; lenient faculty members and supportive Co-ordinator madam.I strongly feel that BASPONC College has provided me a foundation for my career. I wish all the success to BASPONC College and happiness to the faculty member and students. Wish you all best of luck for the future.

Mr.Bhushan Jawale

During my tenure at BASPONC, I was presented with numerous enriching opportunities that enabled me to further hone my diverse skills—ranging from academics to leadership and public speaking. My growth was not confined solely to academics; I also took on the responsibility of organizing the college's event, 'TechnoFesta'—a role that significantly sharpened my leadership and management capabilities.

Heartfelt Words from Our Scholars

Mr. Chetan Nayade

I am indebted for facilities provided to all the students like me as they have helped in shaping our career. I am grateful to BASPONC for everything & shall always hold my institute in the highest regards. I wish name, fame & success to all my juniors.

Miss. Janhavi Warke

The exemplary teaching methods and supportive nature of the faculty significantly enhance our skills and knowledge. The various academic and cultural programs offered by BASPONC are distinct from those of other institutions, providing us with a structured approach to effectively apply our skills and knowledge.

Miss.Poonam Patil

BASPONC is a highly regarded institution that has recently implemented stricter policies, thereby expecting greater discipline from its students. The infrastructure and management are commendable, featuring air-conditioned computer labs, a library, a seminar room, and lecture rooms. The computer lab is well-equipped with plotters, and the library boasts an extensive collection of contemporary and valuable books. Additionally, the college's Training and Placement (T&P) cell provides training, study materials, and endeavors to secure suitable employment for each student by carefully matching their profiles with the required skill sets.

Mr. Mohit Ingale

BASPONC is dedicated to delivering content and high-quality knowledge efficiently and seamlessly. The institution boasts a picturesque and verdant campus, a diverse cohort of classmates from various cultural and professional backgrounds, and lecturers who combine industry experience with academic expertise.
